Seattle, WA 98102-5224

May 2, 2004

Hello Louise,

Over a month ago I sent you a letter—can you please confirm for me that you received it? Possibly the letter went astray; if so I can send you another copy.

But assuming you did receive it, can you let me know when I might expect to hear a response from you?

Please feel free to respond to me in the medium of your choice—by mail, e-mail or phone, whatever is most convenient for you.

Thank you.
